I hope this letter finds you in good health and spirit. I would like to invite you to help us with so many others in our efforts to raise money for worthy causes and to help in our goals to enhance our community and it's members. My students and I, here at Island Budokan have managed to raise more than \$30,000.00 over the last 7 years to contribute to charities like Ronald McDonald House, Avon Walk for Breast Cancer, Down Syndrome Advocacy Foundation and other local charities. We managed to raise over \$2,500.00 to donate to the charities last year and hope to do better for this coming event. This year, we have decided to support the Little Angel Fund, a foundation that helps support parents of severely ill premature infants.

We do most appreciate your help and hope you will decided to support our efforts to teach responsible citizenship to our students, their friends and family. Our purpose is to offer an opportunity for education in cultural diversity. A critical aspect of this exposure is the chance to investigate avenues for self-improvement, character development and community awareness.

We hope you will choose to and/or invite some friends to assist in our endeavor. Our goal is to build a better understanding of other nations and their respective cultures. We intend to create an opportunity for all who attend to investigate diverse avenues for self-improvement while encouraging respect for differences and pride in our clubs and community.

Thank you very much for your consideration and time. We hope you will be able to join us in creating a memorable day. Feel free to contact me at 631-921-0034 or via email at IBDTH@AOL.com

Yours in Budo/ Respectfully,
